

Get a personalized estimate with our online tool

Be prepared when you come in for care. Use Estimates – our treatment cost calculator – to get an estimate of your out-of-pocket costs.

What is Estimates?

Estimates is our online calculator that gives you cost estimates for many commonly used treatments and services.

Where do I find Estimates?

Go kp.org/costestimates. You'll need to be registered on kp.org to use this secure tool.

How does Kaiser Permanente come up with the estimate?

We take the average cost of a service in your area. Then we apply your plan benefits and how much you've spent so far for care. You'll see the low, likely, and high cost for the service. This will include the costs you are responsible for, such as a deductible or copay.

Is the estimate exactly what I'll pay?

No, the estimate gives you a general idea of what you'll pay for a particular service. What you actually pay may be higher or lower depending on the care you receive. Your bill will show the actual cost of the service and what you will need to pay.

What if the estimate is more than I can afford to pay?

Don't let an estimate keep you from getting the care you need. Call the number on the back of your Kaiser Permanente ID card to see if you qualify for financial assistance and how to sign up for an easy payment plan.
