

Hello Powell Families,

We are putting the finishing touches on a great year. Thank you for all of your support and encouragement with our children. The following are Powell's points of pride. Enjoy!

Yearbooks will be distributed on Tuesday, May 21st. Please speak to your student about what should and should not be signed in a yearbook. We expect our students to use appropriate language at all times and especially in yearbooks where their words will leave a lasting impression on personal property.

In recent years, students have chosen not to purchase yearbooks and, instead, have elected to have their friends and other students sign on their body. This behavior is strongly discouraged, since not all that is signed can be seen or read by the students on whom the words are written. Please talk with your student about having respect for their body and empower them to not engage in this behavior.

As summer approaches, our students' social media behavior tends to take a turn. Please speak with your student(s) about what they are posting, the pictures they are taking, and who they are communicating with. If you encounter inappropriate/concerning behavior, be sure to contact your local law enforcement to help in addressing these issues. We are all here to help keep our kids safe and protected.

A special thank you to all of our volunteers for all of their time and effort in making this year great. Our community is one of the biggest reasons why Powell is such a special place to us all.

Thank you for your investment and involvement in our students' lives.
As always, It's a great day to be a Puma!
