

LITTLETON

PUBLIC SCHOOLS

February 24, 2021

Dear Sandburg Staff, Parents and Students,

On behalf of Littleton Public Schools, I am delighted to let you know that Keri McCabe has been selected as the principal for Sandburg Elementary beginning in the 2021-2022 school year.

Mrs. McCabe brings administrative and classroom experience and strong credentials to serve Sandburg. She holds a Bachelor of Arts degree in Psychology and a Master of Arts in Educational Leadership, both from the University of Northern Colorado. She has been an LPS staff member for the past eleven years serving as the principal of Highland Elementary. Prior to joining LPS, she was an assistant principal in a neighboring district and taught grades 1 through 6 in her earlier education career. During this time, she has made many positive contributions to the schools and districts she has served.

In addition to her professional qualifications and depth of experience, Mrs. McCabe brings a big heart for students, staff, and community. The site interview team noticed her many strengths, including a focus on the whole child, depth of instructional knowledge, commitment to strong positive relationships with students, staff and families, and her energy and passion for elementary school leadership. Mrs. McCabe is looking forward to meeting and partnering with staff, parents, and students.

There will be upcoming opportunities for staff and parents to meet Mrs. McCabe. We will keep you informed as we navigate the COVID-19 requirements and guidelines for health, physical distancing and the safety of the LPS community.

Thank you for supporting your child's education and Littleton Public Schools.

Sincerely,

A handwritten signature in cursive script that reads "Kathleen Ambron".

Kathleen Ambron
Director of Elementary Education
