

Good morning TOPS Families,

Thank you for your patience and understanding as we launch the TOPS program for LPS. We are so excited and grateful to work with you and your students this year!

Here are a few updates for the week of August 24th:

- [TOPS Staff](#)
- [Student Supply List](#)
- Student's on Individual Education Plans: TOPS Special Service Providers will be reaching out to families to introduce themselves and share information regarding student support at TOPS and transition support.
- Pearson Connexus: Direction and guidance on how to log in to the Pearson Platform will also be available to students at the end of this week.
- Chromebooks: LPS Information Technology Department is sending out information about Chromebook pick-up for students who need a device. Families who need a ChromeBook should mark the form accordingly. Pick up will be at the ESC, 5776 South Crocker, Littleton 80120, in the **South Parking Lot** this Saturday, 8/29/2020, from 8am -12 noon.
  - Families who have LPS Chromebooks from the spring should use them; and families have the option to use their personal devices if they are available in the home.
- Student Fees: TOPS families cannot pay fees through RevTrak. Fees for in-person schools do not need to be paid by TOPS families. However, if you would like to pay fees related to your student (yearbook) this may be done in person at your in-person school or by sending a check to your in-person school.
