

NEED TO SEE A DOCTOR? WE'VE GOT CONNECTIONS.

Amwell* and MDLIVE* now available through Cigna, or through your health benefit plan.

Good news. Now, most medical plans through Cigna provide covered employees with access to telehealth services designed to offer employees greater control when they need to see a doctor. We call it Cigna Telehealth Connection.

Cigna Telehealth Connection lets you get the care you need – including most prescriptions – for a wide range of minor conditions. Now you can connect with a board-certified doctor via video chat or phone, without leaving your home or office. When, where and how it works best for you!

Use Cigna Telehealth Connection to connect with a doctor about:

- › Acne
- › Allergies
- › Colds and flu
- › Fevers
- › Headaches
- › Rashes
- › Sore throats
- › Stomachaches
- › Urinary tract infections and more

Amwell and MDLIVE are independent companies/entities and are not affiliated with Cigna. The services, websites and mobile apps are provided exclusively by Amwell and MDLIVE and not by Cigna. Providers are solely responsible for any treatment provided. Not all providers have video chat capabilities. Video chat is not available in all areas. Amwell/MDLIVE services are separate from your health plan's provider network. Telehealth services may not be available to all plan types. A primary care provider referral is not required for Amwell/MDLIVE services.

In general, to be covered by your plan, services must be medically necessary and used for the diagnosis or treatment of a covered condition. Not all prescription drugs are covered. All group health insurance policies and health benefit plans contain exclusions and limitations. See your plan materials for costs and details of coverage, including other telehealth/telemedicine benefits that may be available under your specific health plan.
