The Polo Shirt on the left has a cap sleeve and is not allowed. We also do not allow a “Girl Cut Sleeve.” The Polo Shirt on the right is a unisex shirt with the sleeve going about half way down the arm. This is the correct shirt. Long sleeved polo shirts are also allowed within our color palette.

There are 2 Styles of Elementary sweat shirts seen on the left.

The middle school may wear any style on the left and are also allowed a hoodie.

Please remember that Elementary can wear red and not burgundy and middle school can wear burgundy but not red.

All Sweat shirts must be embroidered with our logo and are available at both Dennis Uniform and Educational Outfitters.
